December 2017

PERSONAL

Born - August 13, 1955
Lawton, Oklahoma

Married: Karen
Child: Jamison born 4-26-96

EDUCATION

- 1978 - 1982 Doctor of Medicine - **Graduate of Distinction Honors (Top Ten Graduate)** - The University of Oklahoma Medical School, Oklahoma City, Oklahoma.
- 1977 - 1978 Graduate Studies - Department of Microbiology and Immunology - The University of Oklahoma Health Science Center, Oklahoma City, Oklahoma.
- 1973 - 1976 Bachelor of Science - **Distinction Honors**, University of Oklahoma, Norman, Oklahoma.
- 1969 - 1973 **Valedictorian** - Pauls Valley High School, Pauls Valley, Oklahoma.

POSTDOCTORAL EDUCATION/TRAINING

Curriculum Vitae

- 1986 - 1988 Fellow - Vitreo-Retinal Service, Tulane University Medical Center, New Orleans, Louisiana.
- 1985 - 1986 **Chief Resident** - Department of Ophthalmology - The University of Kansas Medical Center, Kansas City, Kansas.
- 1984 Ophthalmology Basic Science Course - Houston, Texas.
- 1983 - 1986 Resident in Ophthalmology - The University of Kansas Medical Center, Kansas City, Kansas.
- 1982 - 1983 Flexible Internship - Medicine and Pediatrics - The University of Oklahoma - Tulsa Medical College and Teaching Hospitals, Tulsa, Oklahoma.

APPOINTMENTS

- 1994 **Tenure Awarded** - Associate Professor, Department of Ophthalmology, Vitreo-Retinal Service, Tulane University School of Medicine.
- 1993 - 2000 **Associate Professor** - Department of Ophthalmology, Vitreo-Retinal Service, Tulane University School of Medicine.
- 1988 - 1993 Assistant Professor - Department of Ophthalmology, Vitreo-Retinal Service, Tulane University School of Medicine.
- 1986 - 1988 Clinical Instructor - Department of Ophthalmology.

HONORS**Alpha Omega Alpha Honorary Scholastic Society**

Graduate of Distinction Award (Top Ten Graduate) - University of Oklahoma School of Medicine.

Outstanding Teaching Award - Department of Ophthalmology - Tulane Medical School - 1989

American Academy of Ophthalmology Honor Award - 1996

Senior Award- American College of Surgeons- Fellow - 2016

American Academy of Ophthalmology- Life Fellow - 2017

PREVIOUS TEACHING/SURGICAL RESPONSIBILITIES (to July 2000)

Curriculum Vitae

Charity Hospital in New Orleans
Veterans Administration Hospital

Conducted weekly Retina Specialty Clinics

Tulane University Hospital
Professor
Department of Ophthalmology
Vitreous-Retinal Service

Conducted weekly Retina and Fluorescein Conference for Tulane Associate Associate
Ophthalmology Residency Program

Director, 1988-1999

Electrophysiology lab/Tulane Hospital and Clinic

Coordinator, 1988-2000

Medical Student rotation coordinator

Coordinator, 1988-1993

Residency Interview/Selection Committee Department of Ophthalmology

PREVIOUS HOSPITAL APPOINTMENTS (to July 2000)

Tulane Medical Center Hospital and Clinic

New Orleans, Louisiana
Associate Professor, Vitreous-Retinal Service
7-1-1986 to 2000

Charity Hospital (Medical Center of Louisiana)

New Orleans, Louisiana
Visiting Surgeon
11-1-1986 to 12-5-1996

Veterans Administration Medical Center

New Orleans, Louisiana 70112
8-1-1986 to 2000

University Hospital

New Orleans, Louisiana
Courtesy Staff
1986-1996

Memorial Medical Center

Mercy Campus

301 N. Jeff Davis Parkway
New Orleans, Louisiana 70119
9-1-1986 to 2000

Baptist Campus

2700 Napoleon Ave
New Orleans, Louisiana 70115
9-1-1986 to May 2001

West Jefferson Medical Center

Marrero, Louisiana 70072
Courtesy Staff

Curriculum Vitae

4-1-1988 to 9-1-1996

Meadowcrest Hospital

Gretna, Louisiana 70056

3-25-1988 to 7-30-1995

Huey P. Long Hospital

Pineville, Louisiana 71361

7-1-1986 to 6-30-1988

CURRENT HOSPITAL AMBULATORY SURGERY CENTER APPOINTMENTS (2000 – present)

Oklahoma Surgicare

West Memorial Rd

Oklahoma City, Oklahoma 73120

HOSPITAL AMBULATORY SURGERY CENTER APPOINTMENTS (2000 – 2004)

**University of Oklahoma Medical
Center Affiliated Hospitals**

Oklahoma Memorial Hospital

Presbyterian Hospital

Veteran's Hospital

Oklahoma City, Oklahoma

St. Anthony's Medical Center

Oklahoma City, Oklahoma

**ACADEMIC / PROFESSIONAL COMMITTEES SERVED
(up to July 2000)**

Admission Committee - Tulane

Medical School, 1989 - 1993

Introduction to Clinical

Medicine - SCOPE examination

Tulane Medical School

Operating Room Committee

Tulane Medical Center

Hospital Clinics

Dean's Advisory Committee

on Medical Student Curriculum - Tulane Medical School

Diabetes Advisory Committee

Tulane Medical Center

Hospital Clinics

**American Academy of Ophthalmology -
Committee on Ophthalmic Procedures Assessment -
National Retina Panel Chairman 1995-1997**

CREDENTIALS COMMITTEE SERVED

Professional Standards Committee

Oklahoma Surgicare

2000- August 2004

LICENSURE AND CERTIFICATION

1982, 1985	Advanced Cardiac Life Support Certificate
1982	Oklahoma State Board of Medical Examiners (in training)
1983	National Board of Medical Examiners (#260659)
1983 - 1986	The Kansas State Board of Healing Arts (Lic #20167)
1984 - 1987	Ophthalmic Knowledge Assessment Program
1985	FLEX Examination
1986 - present	Louisiana State Board of Medical Examiners (Lic #07037R)
1988	American Board of Ophthalmology-Diplomate (Board certified)
1999-2004	Mississippi Board of Medical Examiners (Lic #16612)
April 2000 to present	Oklahoma Board of Medical Licensure (Lic # 21520)

PROFESSIONAL SOCIETIES

American Medical Association

American Academy of Ophthalmology – Fellow (#011851)

Oklahoma County Medical Society

Oklahoma State Medical Society

Louisiana State Medical Society (to 2000)

Orleans Parish Medical Society (to 2000)

Association for Research in Visual Ophthalmology (ARVO)

American Medical Association Physician Recognition Award (1985- present)

Joint Commission on Allied Health Personnel in Ophthalmology - National Examiner

Louisiana/Mississippi Ophthalmologic Society – Fellow (to 2000)

Vitreous Society

Retina Society

American College of Surgeons - Fellow (F.A.C.S.)

Southern Retina Study Group

Research to Prevent Blindness Association - Ophthalmological Associate

New Orleans Academy of Ophthalmology – Fellow (to 2000)

EYECARE America (volunteer indigent patient care) – American Academy of Ophthalmology (AAO) (2000 to present)

GRANTS

Biomedical Research Support Grants (Endophthalmitis and Steroids) provided by National Institute of Health Tulane University School of Medicine 1989.

Research to Prevent Blindness - Department of Ophthalmology, Tulane Medical Center 1990-91, 1991-92, 1992-93, 1993-94, 1994-95, 1995-96.

RESEARCH STUDIES

1. Silicone oil for complex vitreoretinal cases - Primary co-Investigator Tulane Medical Center: IDE #G910032A, IRB# M1260,
Tulane Medical Center. Study completed, silicone oil approved by FDA 10/95.
2. National Trauma System (NETS), co-investigator, Washington, D.C.
3. Perfluoron in vitreo-retinal surgery-co-investigator, Tulane Medical Center: Infinitech, Inc., Chester, Missouri, IDE #G900249, Tulane IRB #M1260.
4. Photodynamic Study protocol , verteporfin in Age Related Macular Degeneration ,study co-investigator, Ciba Vision, Inc., November 1999.
5. RhuFAB in treatment of Age related macular degeneration – Phase III FDA thru GENETECH (Marina and Anchor Studies) – **PRINCIPLE INVESTIGATOR** , Retinal Associates of Oklahoma 2003- PRESENT

SCIENTIFIC PRESENTATIONS (not listed elsewhere)

- 1977 Maxwell DP, "Sesquiterpene Ring Structures with Antibiotic Activity" - Department of Organic Chemistry - University of Oklahoma.
- 1977-78 Maxwell DP, Laboratory work with recombinant DNA and Genetic Mapping - Department of Microbiology - Oklahoma University Health Science Center.
- 1982 Maxwell DP, "Diabetic Retinopathy: Recognition, Prevalence and Treatment" - Senior presentation/paper - University of Oklahoma Medical School.
- 1985 Maxwell DP, "Operating Microscope Light Damage - Clinical Prevalence and Significance." Kansas Ophthalmological Meeting, Kansas City, Kansas.
- 1986 Maxwell DP, "Fundus Lesions in AIDS" - Kansas State Ophthalmological Meeting, Kansas City, Kansas.
- 1988 Maxwell DP, "Medical Update: Laser Treatment of Diabetic Retinopathy," Presented for the Louisiana Center for the Blind: Seminar on Diabetes and Blindness, New Orleans, Louisiana, November 5, 1988.
- 1988 May DR, Maxwell DP, "Inhibition of Iris Neovascularization/Neovascular Glaucoma by Retinal Cryotherapy in Diabetic Eyes following Vitrectomy", Presented at the Vitreous Society Meeting, Phoenix, Arizona, December 1988.

Curriculum Vitae

- 1988 Stonecipher KG, Maxwell DP, "Lasers in Ophthalmology: An Update", - Presented at the Louisiana Chapter of the American College of Surgeons, New Orleans, Louisiana, January 15, 1989.
- 1989 Maxwell DP, "Intraocular Thrombin as an Adjunct to Vitrectomy" - Presented at the 24th Annual C.S. O'Brien Professorship and 11th Annual Tulane Alumni Day, 1989.
- 1990 Maxwell DP, "Natural History of Experimental Endophthalmitis in the Rabbit", 25th Annual C.S. O'Brien Professorship and 12th Annual Tulane Alumni Day, 1990.
- 1991 Maxwell, DP, "Endophthalmitis: Medical and Legal Implications", Presented at the 26th Annual C.S. O'Brien Professorship and 13th Annual Tulane Alumni Day, 1991.
- 1992 Maxwell DP, "Prostaglandins and Endophthalmitis: A Look at Arachadonic Acid", Presented at the 27th Annual C.S. O'Brien Professorship and 14th Annual Tulane Alumni Day, 1992.
- 1993 Maxwell DP, "Medical Legal Considerations in Ophthalmology", Presented at the 28th Annual C.S. O'Brien Professorship and 15th Annual Tulane Alumni Day, 1993.
- 1994 Maxwell DP, Jaspan J, "Eye on Health - Diabetes Education" - WBYU - 8:30AM. March 1994.
- 1994 Maxwell DP, "Liquid Perfluorocarbons in Vitreo-Retinal Surgery", Presented at the 29th Annual CS O'Brien Professorship and 16th Annual Tulane Alumni Day, 1994.
- 1995 Maxwell DP, "Does Indocyanine Green Interfere With Laboratory Serum Tests?", Presented at the 30th Annual C.S. O'Brien Professorship and 17th Annual Tulane Eye Alumni Day, 1995.
- 1997 Maxwell DP, "Serum Antibody Testing to Intraocular Silicone", Presented at the Vitreous Society Meeting, New Orleans, Louisiana, 1997.
- 1998 Maxwell, DP, "Advances in Vitreoretinal Surgery", Presented at the 33rd Annual C.S. O'Brien Professorship and 20th Annual Tulane Eye Alumni Day, 1998.
- 1999 Maxwell, DP, "Advances in Vitreoretinal Practice", Presented at the 34th Annual C.S. O'Brien Professorship and 21st Annual Tulane Eye Alumni Day, 1999.

NATIONAL COURSES INSTRUCTED/DIRECTED/FACULTY

- 1989 Psychological Effects of Low Vision-Joint Commission on Allied Health Personnel in Ophthalmology, New Orleans, LA.
- 1989 Medical and Legal Considerations in Endophthalmitis - Course 741 - American Academy of Ophthalmology - New Orleans, November 2, 1989. *Ophthalmology* (suppl) 1989; 205.
- 1990 Psychological Effects of Low Vision. Joint Commission on Allied Health Personnel in Ophthalmology, Atlanta, Georgia, October, 1990.
- 1990 Medical and Legal Considerations in Endophthalmitis - Course 158 - American Academy of Ophthalmology, Atlanta, Georgia, October 29, 1990. **Ophthalmology** (suppl) 1990; 97(9A):182.
- 1990 Psychological effects of Low Vision, Joint Commission on Allied Health Personnel in Ophthalmology, Anaheim, California, October, 1991.
- 1991 Medical and Legal Considerations in Endophthalmitis - Course 501 - American Academy of Ophthalmology, Anaheim, California, October 13-17, 1991. **Ophthalmology** (suppl) 1991: 98(5): 217.

Curriculum Vitae

- 1992 Medical and Legal Considerations in Endophthalmitis - Course 224, American Academy of Ophthalmology, Dallas, Texas. **Ophthalmology** (suppl) 1992; 99 (9A):195.
- 1992 Psychological Effects of Low Vision, Joint Commission of Allied Health Personnel in Ophthalmology, Dallas, Texas, October, 1992.
- 1993 Medical and Legal Considerations in Endophthalmitis - Course 621, Academy of Ophthalmology, Chicago, Illinois. **Ophthalmology** (suppl) 1993; 100(9A):212.
- 1993 Psychological Effects of Low Vision, Joint Commission of Allied Health Personnel in Ophthalmology, Chicago, Illinois, November 1993.
- 1994 Medical and Legal Considerations in Endophthalmitis - Course 334, Academy of Ophthalmology, San Francisco, California. **Ophthalmology** (suppl) 1994; 101(9A):212.
- 1995 Psychological Effects of Low Vision, Joint Commission of Allied Health Personnel in Ophthalmology, San Francisco, California, November 1994.

LOCAL COURSES INSTRUCTED/DIRECTED/FACULTY

- 1989 - 1994 Medical Director - Tulane University School of Medicine Ophthalmic Assistants Course.
- 1989 - present "Diabetic Eye Disease and Uveitis", "Posterior Segment Lasers", Ophthalmic Assistant Course, March each year.
- 1989 - present Ophthalmology Clinical Elective, January-February, each year.
- 1990 Challenges and Changes: Care of the Adult with Diabetes - Second Annual Diabetes Update, Tulane Medical School. October 23, 1990.
- 1991 Challenges and Changes: Care of the Adult with Diabetes - Third Annual Diabetes Update. Tulane Medical School of Medicine ;October 29, 1991.
- 1991 - 1999 Introduction to Clinical Medicine - Special Sessions Introduction to Ophthalmology and Use of the Direct Ophthalmoscope, Tulane University School of Medicine, November each year.
- 1991 "Vitreous Surgery: Basic Concepts and Principle" - American Society of Surgical Technicians - Tulane Medical Center, April 7, 1991.
- 1991 - 1998 Topics in Medical Surgical Nursing - Endophthalmitis and Vitrectomy, Outline "Management of the Patient with Various Ophthalmological Disorders", Tulane Medical Center - November each year.
- 1992 Advances in the Management of Diabetes for the Practicing Physicians. Tulane School of Medicine. March 14, 1992.
- 1992 Living with Diabetes - 1992 Update of Vital Issues. Tulane School of Medicine, Tulane Center for Diabetes, April 25, 1992.
- 1998 Macular Degeneration and Subretinal Neovascularization American Society of Ophthalmology Registered Nurses, New Orleans Academy of Ophthalmology, New Orleans, Louisiana, April 3, 1998.
- 1998 Macular Degeneration and Subretinal Neovascularization, New Orleans Academy of Ophthalmology, New Orleans, Louisiana, April 4, 1998.

NATIONAL LECTURESHIPS/GUEST PROFESSORSHIPS (by invitation)

- 1991 "Endophthalmitis" - EYECON '91: Advances in Ophthalmology, April 13, 1991, University of Kansas Medical Center, Kansas City, Kansas.
- 1992 "Steroids, Prostaglandins and Endophthalmitis, June 26, 1992, University of Wisconsin, Madison, Wisconsin.
- 1992 "New Techniques in Vitreo-Retinal Surgery", October 22, 1992, University of Kansas Medical Center, Kansas City, Kansas.
- 1993 "Medical and Legal Aspects of Vitreo-Retinal Practice", April 1, 1993, University of Kansas Medical Center, Kansas City, Kansas.
- 1993 Maxwell DP, "Ocular Trauma", July 23, 1993, Presented at the Texas Tech Health Sciences Center, Department of Ophthalmology, Lubbock, Texas.
- 2000 Maxwell, DP, "Recent Advances in Vitreo-Retinal Practice" at Oklahoma Optometric Annual Meeting, Oklahoma City, Oklahoma, April 14, 2000.
- 2000 "The History of Retinal Detachment Surgery" at University of Kansas Medical Center, EYECON 2000, June 16-17, 2000.

SUMMARY- CURRENT AND PREVIOUS RESEARCH PROJECTS

- 1) Complications of silicone oil at TMC.
- 2) Wound defects and endophthalmitis.
- 3) TPA and submacular clots.
- 4) Fibrin membrane treatment with TPA.
- 5) *S. aureus* in endophthalmitis in a rabbit model.
- 6) Arachadonic acid metabolites in *S. epidermidis* endophthalmitis.
- 7) Macular hole study.
- 8) Submacular clot extractions.
- 9) Type I diabetes growth hormone.
- 10) RPE cell transplantation.
- 11) Clinical trial for zinc for macular degenerations.
- 12) Perfluron (perfluorocarbon) complications and Efficacy Study.
- 13) Role of Pancreas transplants on Diabetic Retinopathy.
- 14) Photodynamic therapy for macular degeneration.
- 15) **RhuFAB for macular degeneration (GENETECH – Marina and Anchor study- PRINCIPLE INVESTIGATOR 2003 to PRESENT at Retinal Associates of Oklahoma).**
